Reality check

From the sources

The work

- SSC lists posts such as Assistant Audit Officer, Inspector (Income Tax, Central Excise), Sub Inspector (CBI), Junior Statistical Officer and Upper Division Clerk across ministries and offices.
- SBI and IBPS recruit Probationary Officers, and IBPS adds Management Trainees, for public-sector banks.
- The Ministry of Railways announced graduate-level posts including Chief Commercial cum Ticket Supervisor.
- Day-to-day work is not described in these notices.

Entry requirements

- These notices ask for a bachelor's degree from a recognised university and name no subject, and B.A. and B.Sc. are not named.
- SSC accepts final-year students who hold the degree on 1 August 2026, and SBI accepts final-year students provisionally, but IBPS requires the final result to have been declared by 21 July 2026.
- Age limits run from 18 to 32 depending on the SSC post, 21 to 30 at SBI and 20 to 30 at IBPS.
- Junior Statistical Officer and Statistical Investigator Grade-II name Statistics or related subjects.

Trade-offs to consider

- All SSC posts carry all-India service liability and some have physical and medical standards, and SSC says more than 28 lakh candidates had applied for CGL 2026 before the application window was reopened.
- Selected SBI Probationary Officers must sign a Rs 2 lakh bond to serve for at least three years and may be posted anywhere in India.
- IBPS says being provisionally allotted to a bank does not by itself make a candidate eligible for employment, the bank may reject the candidature, and the result is valid for one year.
