- Duties are 'fixed by the Institute from time to time'; in-service candidates get leave as per rules.

Note:

No shift timetable or daily hours. Rules of one institute.

## ⚠ Reality check

From the sources

### The work

Explore public-health training and the separate requirements of programme, research and field roles.

### Entry requirements

- IIPHG lists MPH among its full-time on-campus programmes.
- Its 2026 brochure lists a bachelor's degree in any discipline with at least 50% marks, and says final-year students awaiting results can also apply.
- That batch's application deadline was 31 May 2026 and the next intake is not established
- Confirm programme-specific eligibility, because admission and job requirements are separate.

### Trade-offs to consider

- Further study is an investment.
- The 2026 brochure lists tuition of ₹2,86,000 per year for Indian nationals, excluding accommodation, food and other costs.
- Fieldwork, contract terms and required experience vary by job.
